**THIS MATTER** comes before the Court on its own motion.

On December 10, 2021, in response to the parties' motion to stay, this Court stayed this matter and all related civil actions for 90 days to allow time for the FDA to rule on Defendant Transtate's pending FDA Trade Complaint. The 90 days has passed, the parties filed a Status Report on March 20, 2022, and the parties filed additional briefing on the stay issue on April 7, 2022.

The Court finds that the stay is **HEREBY LIFTED** in this matter and in all related civil actions. Litigation may proceed in all related Philips cases.

**IT IS SO ORDERED.**

Signed: June 15, 2022
